

## The Adventures of Ewing Young

Guest Speaker: Doug Root, Co-founder, Ewing Young Distillery

---

**Doug Root** is one of the co-founders of the Ewing Young Distillery located 4.5 miles West of Newberg on Highway 240 as you head toward Yamhill and Carlton. Doug is certainly an amateur historian when it comes to Ewing Young's history, but his sources include many well-researched, well-regarded sources, and some educated speculation.
